

....

As an ever-growing creative, I strive to develop memorable experiences through conceptual thinking and practical design, print and digital.

....

EXPERIENCE

● **Interactive Marketing Artist**

The Morning Call

Feb '14 – Present

Along with creating web based advertisements and email blasts, I am also the sole circulation marketing designer for eastern Tribune properties.

● **Web & Graphic Designer**

The Marlin & Regina Miller Art Gallery

Sept '10 – Present

A hand-crafted website is maintained, and for each exhibition, printed materials are designed to promote current shows.

● **Tech Assistant**

Rohrbach Library at Kutztown University

Sept '11 – May '13

Assistance was offered to students who needed help with Adobe and Microsoft software, as to others with hardware and computer issues.

★ In addition, I have been a contracted and independent freelancer, having worked on projects ranging from production work to logos and websites.
